----**

The Director & Inspector General, Registration and Stamps, Andhra Pradesh, in his letter 6th read above, has stated that earlier Govt. had approved and permitted for purchase of Franking machines of two companies i.e., 1). B- 700 of M/s. Pitney Bowes India Pvt Ltd and 2).T-1000 of M/s Forbes Technologies Ltd. Now, M/s Pitney Bowes India Pvt. Ltd., Gorgaon, have introduced " Pbsecure" Franking Machine model, which is the most advanced solution for evidencing of Stamp Duty payment. M/s. Forbes technologies Ltd have also upgraded the existing model T1000 franking machines as OPTIMAIL T100 with optional remote connectivity facility.

2. A Technical committee was constituted to examine the features/ relative merits of the upgraded machines of the two companies and also of other companies and to submit a report. The Technical Committee opined that both the systems are feasible, provided cost considerations are not taken into account.

3. The Regional Channel Manager (RCM) – South, Pitney Bowes India Pvt.Ltd, has given special pricing for their pbsecure kit- Scanner, CAM Device and software with 1 year warranty for Departmental usage/existing stamp vendors/Banks etc. He has also stated that the application will require a desktop/laptop and a printer to work successfully, which will be procured by the Department or Stamp Vendor or NBFCs/Others.

4. The Director & Inspector General, Registration and Stamps, Andhra Pradesh, Vijayawada has therefore requested to accord permission for up gradation to new model Franking Machines.

5. Government, after careful consideration of the matter, hereby approve the new model franking machine pb secure which is equipped with most advance solution for evidencing of stamp duty payment and also accord permission to the Director & Inspector General, Registration and Stamps, Andhra Pradesh, Vijayawada for up-gradation to new model Franking Machines.

6. The Director & Inspector General, Registration and Stamps, Andhra Pradesh, Vijayawada shall take necessary action in the matter accordingly.
